20 December 2024

To Whom It May Concern

Name: Sivuyiso Mvani
Student Number: MVNSIV001
Date of Birth: 2001-09-28

It is hereby confirmed that Sivuyiso Mvani was registered as a student at the University of Cape Town (UCT) from February 2020 to December 2024 for the qualification of Bachelor of Science, specialising/majoring in the following:

Applied Statistics

The student has met the academic requirements for the award of the qualification as at 2024-12-13 and is thus able to be employed or proceed with further studies.

The qualification will be conferred and the certificate issued at graduation. The confer date for the graduation session is 2025-03-31. Please note that the confer date must not be confused with the graduation date. The confer date reflects on the academic record and indicates the graduation session the student is eligible to graduate (provided there are no outstanding fees or disciplinaries). The graduation date is the date when the formal graduation ceremony is scheduled. UCT's student system records one confer date per graduation session which means that the first date of the graduation session is used for **all** students and **all** qualifications. While the graduation date might differ from the confer date, it will always occur on or after the confer date and never before. Once approved by Senate and Council, the schedule of graduation ceremonies for the graduation session will be published on the [UCT graduation webpage](#).

The qualification awarded to the student can be viewed using [Public Access](#). A PDF copy of this letter as well as the student's Academic Record can be retrieved by the student via their secure PeopleSoft Self-Service online access.

If students have fees outstanding, they will not be able to access their academic record or graduate. They must liaise with the Fees Office to settle outstanding fees.

For queries, please contact the Student Records Office (contact details above).

Yours sincerely

Kirsten Pryce

Manager: Academic Records, Data & Structure
